Dear Parent,

Greetings!!! To make the learning more effective and experiential, DAVPPS, wishes to broaden learning horizons so that students can connect the outside world to their work in school through the clubs. There are different clubs which are categorized based on multiple intelligences for the students in the session 2023- 24.

The students are given choices to choose a club of their interest. The clubs will be held once in a week during zero period. Our trained and passionate teachers will be making students do different activities and would try to bring out the best of their talent.

You are requested to fill the form online on the link given below by 5th April, 2023.
