SESSION - 2025-26

HOLIDAY HOMEWORK CLASS-IV

"Under the summer sun, let your
imagination run wild and your laughter fill
the air."

MESSAGE

Dear Students,

As we step into the much-awaited summer break, I would like to take a moment to congratulate each one of you for your hard work, dedication, and achievements throughout this academic session.

Summer vacation is a time to relax, recharge, and enjoy with family and friends. It's also an opportunity to explore new hobbies, read good books, and learn new things beyond the classroom. Remember, while it's important to unwind, using your time wisely can make your break more meaningful.

We look forward to seeing you back after the break with renewed energy and enthusiasm, ready to embrace new challenges and opportunities.

Wishing you all a joyful, safe, and refreshing summer vacation!

**Warm regards,
Dr Nancy Sharma
Principal**

HOLIDAY HOMEWORK INSTRUCTIONS

1. Follow Instructions Carefully: Read the instructions given for each subject/activity thoroughly and follow them as directed.

2. Do Your Own Work: The homework should reflect the student's own effort. Guidance from elders is welcome, but the work must be done by the student.

3. Submit on Time: Ensure the timely completion and submission of all assignments.

4. Part of Assessment: Holiday homework projects will be a part of Formative Assessment (F.A.) in all subjects. Submit the completed work to the respective subject teachers.

5. Parental Supervision: All activities, especially those involving internet usage, must be done under parental supervision.

6. Presentation Matters: Use headings, subheadings, colours, and proper formatting to make your work attractive and well-organized.

7. Label Everything: Each assignment should clearly mention the student's name, class, section, and roll number.

8. Be Creative: Add drawings, pictures, or charts wherever possible to make the work interesting and engaging.

1. Harry Potter – Character Craft & Mini Research

Enter the magical world of Harry Potter!

Choose **any one character** (like Harry, Hermione, Dobby, Hagrid) and:

- Make a mini research folder or chart with:
 - Name and House
 - Magical powers or traits
 - A hand-drawn or printed picture
 - One famous scene or magical moment
 - One fun fact about the character

Decorate your work like a Hogwarts project – add wands, stars, hats, or house crests.

Optional Extension: Write 2–3 lines about **Hogwarts** (What kind of school is it? Who studies there?)

Important Note- This character research will be displayed during the English exhibition.

2. My Cricket Wizard – Tribute to a Sports Star

Celebrate your favourite Indian cricketer!

On a decorated chart or in a file, include:

1. Cricketer's name and photo
2. A few lines on why you admire them
3. One match or magical moment they're famous for
4. A value or quality you would like to learn from them

Add creative cricket-themed artwork – bats, trophies, jerseys, or medals!

3. Salute to Our Soldiers – Poster with a Message

Create an **A3 size poster** as a tribute to Indian soldiers.

Include:

- A slogan like *"Real Heroes Don't Wear Capes"* or *"Salute to Our Bravehearts"*
- Drawings or pictures of soldiers
- A short thank-you message showing appreciation and pride

Let your poster reflect courage, respect, and national pride.

These posters will be showcased in the “Pride of India” display during the exhibition.

PLANTING ACTIVITY

Dear Parents,

We are delighted to inform you that as part of our positive parenting series, we are organizing a planting activity where parents will plant a sapling with their child and explain the significance of the plant. This activity aims to enhance the bond between parents and children while promoting environmental awareness and foster a love for nature.

Instructions:

1. Choose a sapling that is easy to plant and maintain.
2. Involve your child in planting and explain the importance of the plant chosen.
3. Capture a video of the activity.

Share the video with the class teacher by 14th June.

We look forward to your enthusiastic participation.

Best Regards

NOTE: The students are requested to submit this activity by 14th June.
