# Winter Assignment

## Grade -2

Dear Young Minds,

**“Happiness is the feeling of warm sunlight hitting you on a cold winter’s day”**

Warm Greetings...!!!

Vacations are always fun...!! This is the perfect time to connect and strengthen bond with our near and dear ones so visit your family and friends, play indoor games and have lots of fun but be focused on studies as well.

A small packet of interesting assignment has been designed for you all to keep you all indulged constructively in creative work.

The break begins from 31/12/23 and school will reopen on 15/01/24.

We are looking forward to reconnect soon

Lots of love & blessings.

Happy new year to your family and you.

TEAM DAVPPS

### EVS- POSTER MAKING

Conserving water is important because it keeps water pure and clean while protecting the environment. Conserving water means using our water supply wisely and be responsible. As every individual depends on water for livelihood, we must learn how to keep our limited supply of water pure and away from pollution.

Make a poster along with slogan on A3/A4 sheet on the topic Water conservation. Some pictures are attached for reference

UTTARAYAN / KITE / MAKAR SANKRANTI FESTIVAL The festival of [Uttara yan](#) marks the day when winter begins to turn into summer, according to the Indian [calendar](#) . It is the sign for farmers that the sun is back and that harvest season is approaching which is called [Makara Sankranti](#) . This day is considered to be one of the most important harvest day in India. Many cities of Gujarat organize kite competition for their citizens where the people compete with each other. So students get ready to make your own kite. For making your kite you need to use geometrical patterns. Keep the dimensions 10"x10" to proceed to the next activity.

Follow the link given below to make a beautiful kite under your parents' guidance.
